

Strategic Pathfinder Plan

Strategic Pathfinder Plan is a planning approach that emphasizes consistent meetings to ensure the vision is progressing towards the goals set forth by the organization.

There are 4 core values to the Strategic Pathfinder Plan:

- **Vision**
 - Identify your processes
 - Define your vision
 - Create measurable and attainable goals
 - Find the right people for the right seats
- **Data**
 - Dashboard of KPIs
 - Real time results
 - Delegate work to the right people and levels
 - Discover why customers come to you
 - Use the 80/20 rule
- **Roadblocks**
 - Identify roadblocks
 - Revisit your vision and goals
 - Create attainable solutions for your roadblocks
- **Advance**
 - Have accountability with regularly scheduled meetings
 - Prioritize Pathfinder Plan
 - Go back to Vision (above)
